

Country House (rustic) - Semi-detached for Sale to Cairo Montenotte

100 square meters | Bathrooms: 1 | Bedrooms: 1 | Rooms: 5

Property comprising former semi-detached house and fully detached barn in the middle of the plot. Quietly located in a hamlet, 10 minutes from the centre of Cairo Montenotte, with garden and municipal utilities.

The semi-detached house is built entirely in natural stone, has two levels with two cellars on the street side (with the possibility of turning it into a garage), two rooms and an attic. The actual house on the first floor, consists of a kitchenette, a large room and a toilet. The finishings are dated and there is no heating.

Moving down towards the back, we find a woodshed and a nice flat piece of land of about 1,200 sqm with a detached barn on top, on two levels of about 55 sqm per floor that, if desired, could be converted into living space.

Good potential to create a dwelling by utilising the existing volume.

The attached neighbours are also for sale, see IPI code 5702
