

Country House (rustic) for Sale to Prunetto

500 square meters | Rooms: 10

In a marvellous setting, typical of the Alta Langa, in a panoramic position with a view of the Alps, we offer this large and charming L-shaped rustico with internal courtyard.

The buildings cover an area of approximately 450/500 sqm on 2 levels that could potentially be restored (to be verified well, technically, according to individual requirements).

The complex is in need of massive renovation, perhaps only part of the perimeter walling could be saved, but the location, in terms of conformation and position, is truly unique.

The surrounding land, transferable with the buildings, is about 5000 sqm. Eventually more on request.

Municipal water and electricity come from the house immediately before the property in question.
