

Villa / House for Sale to Spigno Monferrato

230 square meters | Bathrooms: 1 | Bedrooms: 3 | Rooms: 13

In a small sunny and quiet hamlet, entirely independent property consisting of 2 buildings connected to each other by the large surrounding, fenced garden.

The first part of the complex consists of an independent villa, renovated with conservative taste, consisting of a ground floor with living room, dining room and spacious kitchen which leads directly to a pleasant and large porch. On the first floor we find the 3 bedrooms, the bathroom and a large livable terrace.

The second building, however, consists of large spaces currently used as garages/warehouses/tool sheds; these volumes lend themselves, as already designed by the current ownership, to being finished and converted into residential accommodation, making the property particularly suitable for the construction of a small accommodation facility which would enjoy privacy and absolute independence from the main house.

The garden, planted and well-kept, is totally fenced and has a total surface area of approximately 1,200 m².

Wood-fired oven to enjoy pleasant convivial moments outdoors.

The property is in perfect condition with double glazed aluminum frames, certified systems, latest generation photovoltaic system, satellite TV system.
