

Farmhouse / Estate for Sale to Roccaverano

160 square meters | Bathrooms: 1 | Bedrooms: 2 | Rooms: 6

A magical place, where the atmosphere of the past has remained intact. Immersed in lush, unspoilt nature, in the hills between the Langa and Monferrato, we propose this stone farmhouse, once a small farm, at the end of a country lane that reaches this enchanted place.

The house has an L-shaped plan. The basement consists of a cellar, a storeroom with a barrel vault in local stone, and 2 further storerooms.

On the mezzanine floor, accessible by a stone staircase, we have an entrance to a habitable kitchen, an archway leading to a living room through which we access a bedroom and a corridor leading to a bathroom with shower and a further bedroom.

Everything has been tastefully renovated, respecting the authenticity of the place, without too invasive interventions.

The floors are ceramic and larch in the sleeping area. the windows are double-glazed wood, the heating is by means of a stove and fireplace, both wood-burning.

The roof has recently been redone with new wooden beams and covering in 'Marseille' tiles.

Water, electricity, imhoff tank. Spring water well.

The property is completed by about 12,000 sqm of land, partly garden and vegetable garden and partly uncultivated. There is a long dirt road (about 500 m).
