

House - Semi-detached for Sale to Murialdo Zone: Isolagrande

136 square meters | Bathrooms: 2 | Bedrooms: 2 | Rooms: 5

In a green hamlet just minutes from Millesimo and the center of Murialdo, a semi-detached house with three sides, a garden, and two separate garages is for sale.

The property is accessed from a municipal road that leads directly to the adjoining courtyard, which the neighbor has right of way (joint ownership). On the ground floor, there is a cellar, a basement, and a small storage room under the stairs, as well as the entrance to the home. A flight of stairs leads to the living area, which is spread over two levels. On the first floor, there is an eat-in kitchen, a small living room, and a modern bathroom with a shower. The kitchen leads to the stairwell, which includes a laundry room, leading to the upper floor, where the sleeping area consists of two generously sized bedrooms.

The finishes are mixed with recent ceramic bathrooms, terrazzo floors and partly double-glazed, partly original window frames.

Municipal water, electricity, municipal sewerage, heating by stoves.

Across the municipal road is a recent 25 sq m building comprising two above-ground garages, which could also be used as a tavern, as they are perfectly finished, and one in particular features an oven. The property sits on 1,410 sq m of land, equipped with water, electricity, and a pleasant pergola to enjoy the greenery.

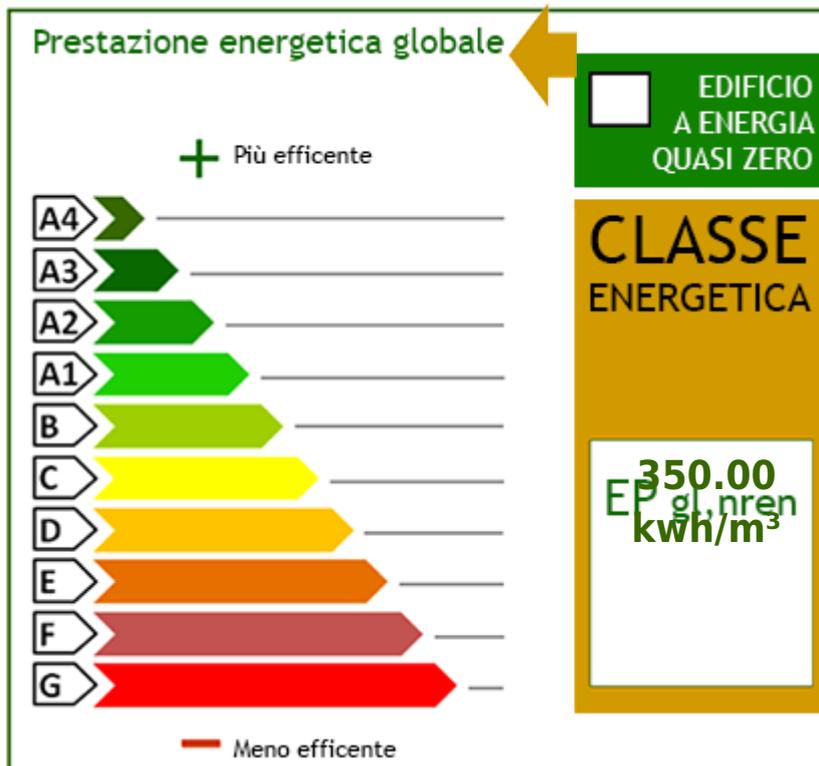

An ideal solution for those seeking a summer home surrounded by greenery, but with a small investment, it could also become a primary residence.
