

Apartment for Sale to Cairo Montenotte

105 square meters | Bathrooms: 1 | Bedrooms: 4 | Rooms: 5

In the heart of the historic center, a spacious apartment in need of renovation, located on the first floor of a small building. It consists of a large entrance hall that leads to the kitchen connected to a large room that would lend itself, with the demolition of the existing partition, to the creation of a large and sunny living area, hallway, 3 bedrooms, bathroom and pantry. The current conditions would allow for a renovation to suit your taste, both in terms of finishes and layout. On the ground floor, included in the property, a large room used as a cellar/warehouse + another small cellar used as a storage room. Ideal for those looking for a large, centrally located home with plenty of additional space for all kinds of activities/hobbies, which can be customized to suit your needs.
