

House - Semi-detached for Sale to Pareto

75 square meters | Bathrooms: 1 | Bedrooms: 2 | Rooms: 4

In the heart of the village of Pareto, we offer a fully renovated, three-sided terraced house with a garage, a small garden, and an additional storage building at the rear.

Access from the municipal road leads to a small living room that leads to the open kitchen with a small balcony and storage space. From the living room, a beautiful open staircase leads to the first floor, which features two large bedrooms, a bathroom with a shower and 2000s finishes, and a laundry room.

Completely renovated, it features natural gas heating, double-glazed wooden window frames, stoneware floors, and tasteful finishes.

Going down a small road next to the house you reach the back, where we find a small parking space, a garage, a small plot of land suitable for recreating a vegetable garden and a garden and an additional building of approximately 20 square meters, to be converted, as a tool shed.

Ideal for those looking for a ready-to-live-in solution, tasteful and at a low price
